

CiA conferences

□ [CiA conferences](#) are unique platforms to meet CAN experts from all over the world to exchange experiences and to discuss the latest developments in CAN technology. Since 1994, the [international CAN Conference](#) (iCC) has been a unique opportunity to update CAN knowledge and to learn from the experiences of others. The program of the iCC offers a deep insight to state and future of CAN-based networking.

[CiA technology days](#) provide an overview on the status and future of CAN, in specific application fields or regions..
